

Hoda Mahrous Abass Ibrahim

Lecturer at Industrial Biotechnology Department, Genetic Engineering & Biotechnology Research Institute, Sadate city, Menofiya University, Egypt.

B.Sc. in Agricultural Science, Dairy Science & Technology Dept. (Very good “with Honors”), 1995, Alex. Univ. Egypt.

M.Sc. in Dairy Microbiology, Dairy Science & Technology Dept, 2001, Alex. Univ. Egypt.

(Characterization of physiological behavior of some lactic acid bacteria for the production of probiotic fermented Milks and Beverages).

Ph.D. in Genetic Engineering & Biotechnology, Industrial Biotechnology Dept., 2006, Genetic Engineering & Biotechnology Research Institute, Menofiya Univ. Egypt.

(Functionalities of Lactic Acid Bacteria Isolated From Egyptian Environment).

Member in the Scientific Society of Food Industries, the Egyptian Society of Experimental Biology, the Egyptian Society of genetic science.
